

OUTCOMES

Why do we do this? Why do we come to camp, put all the effort into planning events, take time out of our busier than life schedules, in some cases, take time off of work, then take on the responsibility of managing the multiplicity of a demanding schedule? **Is it worth it?** **What has been accomplished?** Did we grow? Were lives changed? There must be a passion behind the plan and the effort. How would you describe what happened?
