FOR GOD SO LOVED THE WORLD THAT HE GAVE HIS ONE AND ONLY SON, THAT WHOEVER BELIEVES IN HIM SHALL NOT PERISH BUT HAVE ETERNAL LIFE. (JOHN 3:16)

In the beginning was the Word, eternal and bright. Then the Word became flesh, and in that instant the truest, most beautiful love letter was born. God's boundless love burst from the page and into our lives, dwelling among us. Living and breathing, laughing and crying, Jesus proved, by his life and death and resurrection, that God's love is more than a word or a poem or a sentiment.

God's love is bigger than all your sin. Jesus already took the punishment for every sin we will ever commit. We are free with His forgiveness to live in the light of His love.

God's love is not based on performance. God knows us better than we know ourselves, and He loves us completely in spite of our capabilities or works.

God's love lasts forever. There is no season to God's love. The depth of His love is unfathomable and indescribably beautiful.

Indulge yourself. Close your eyes and savor the amazing truth that God loves you. God loves *you* with a deep and forever love.

Wallow in it. Psalm 103, book of Hosea, Zephaniah 3:17, John 1:1-5, 14, John 15:9-17, Galatians 2:20, Romans 5:5-8, Romans 8:37-39.

Water your garden. Don't just be a sprinkler, douse those around you in grace and mercy and love.

Thanks be to God for His indescribable gift! 2 Corinthians 9:15

God is the source of knowledge and understanding. I don't need to know it all. I need to know Him more. He will help me know how and what to teach my kids and how to be a better parent.

Dwelling in Green Pastures

For years I've been told to stop dwelling on things from the past that continuously bring me down. We all do it, but some of us (like me) spend an incredible amount of time "back" there. Those memories keep following us around, to the gas station, to the grocery store, to the fitness center.

But what if every time you looked back to the past you could see Jesus and how He helped you? How He healed you, protected you, comforted you, cheered you, moved you, made you stay ... and how He loved you. What if the past were merely a diary of Jesus' intervention in our lives? As we were going to school, to court, to the hospital, and even through the worst of all circumstances ... He was there.

We have a choice of either seeing Him in whatever happened to us or just seeing what happened to us. Go ahead, dwell in the past! I dare you to discover just how much Jesus has loved you and will continue to do so!

*Who shall separate us from the
love of Christ? shall tribulation,
or distress, or persecution, or famine, or
nakedness, or peril, or sword?
I am persuaded that NOTHING shall be
able to separate us from the love
of God, which is in Christ Jesus
our Lord.
