## BE ROOTED AND GROUNDED IN LOVE

The 2010 Pine Valley Men's Retreat saw over 250 men worshipping together, fellowshiping together, and learning about the one true God together. As routines and daily living pull us down from the mountaintop experience, remember the words of truth and grace from that weekend.

## AMERICA'S NEW IDOLATRY

When we focus on our comfort or prosperity, it becomes an idol - something we pursue more than our relationship with God. The more we have to rely on God, the stronger our faith becomes. In times of abundance we can drift away and not notice our shift in focus. God uses difficult times to draw us to Him. Keeping our eyes on Jesus keeps us walking with Him along the path of righteousness.

## MORE THAN ENOUGH

The Bible and Jesus are more than enough. Certain cults start with the Holy Bible & Jesus, but soon make it clear that some subsequent teaching or savior is needed to truly know God.

## SEEK ME WITH ALL YOUR HEART

The quality of our relationship with God is directly connected to the depth of our understanding of who God is. Continue to seek after Him and He will make Himself known to you. He pursues those who pursue Him.

## UNIQUE

Does God descend to us, or do we ascend to God? Christianity is unique in that we believe God initiates the relationship with Him by seeking us out. We do not, and can not by any thing we do, ascend to Him.

## WANT GOD TO USE YOU?

Focus on being available for Him to use. Don't wait until you have the means; be available, then look to see where He leads. Pursue His leading in faith. Trust in Him to provide the means. God enables those He calls and brings glory to His name by working through us in ways we cannot take credit for.

YOU WILL SEEK ME AND FIND ME WHEN YOU SEEK ME WITH ALL YOUR HEART. JEREMIAH 29:13
