

Come Take the Journey with us!

This summer at Pine Valley, there will be an exciting opportunity for high school students to be set apart and to grow in the Lord in extraordinary ways. Ascent Camp is Pine Valley's new service and discipleship program for 9th-12th grade students. Participants will spend two weeks serving, studying the Word, and building incredible friendships with fellow believers.

Students, God has given you passion and ability, and He desires to use you to make an impact in your environment. The Ascent experience will be a mission adventure. Whether getting up early to pray for 300 sleeping campers, working with excited children in our new Expedition Day Camp, clearing trails through the forest, serving with a cheerful heart in the dining hall, or laughing with fellow servants after a long day, every day here will have a powerful effect on others.

Philippians 2 tells us that if we have received anything from Christ, then we should be of the same mind and heart. Jesus was the model servant (John 13), and we are made to be most satisfied when we follow His example. Ascent is a service camp, where life change happens through giving instead of getting.

While serving at Ascent you will be part of an 8-12 person team. You will stay with a college-age leader and a group of your peers. Each day you will have new service opportunities and some fun chances to connect with others. There will be devotions every morning and a time of connection and reflection at night. The full-time ministry staff will be a part of your discipleship experience. If you are feeling brave, you will even have a chance to showcase some of your God-given talents and abilities for the camp, so if you play an instrument please bring it.

To be a part of this experience you must fill out an application and turn in references. This is a special opportunity that will only be available to those willing to make the commitment. The cost of the program is \$100 for a two-week term. There are limited spaces, so respond quickly. We would love to be a part of God's movement in your life this summer and hope to connect with you. Applications are available on our website and can be returned to the address above. God Bless.
